No. 96/M(C)/141/77

New Delhi, dt. 24.05.2016

**Chief Mechanical Engineers,
All Indian Railways.**

Sub: Watering of coaches during summer rush.

In view of frequent cases of non-availability of water in trains being reported, railways are advised to ensure complete watering of trains at the originating stations as well as at the nominated enroute watering stations so that no inconvenience is caused to the passengers due to non-availability of water while travelling in trains. It may also be ensured that if any case of non-availability of water during journey of a train is reported Board may be apprised through control message along with action taken in the matter.
