### **FOREWORD**

*Mechanical Department is most responsible towards Safety of Railways. In this regard, Railway Board framed Training Module for Direct Recruited trainee Supervisors, who are required systematic and gravitational knowledge of their field as they are the backbone of Mechanical Department.*

*STC- Ajmer plays a vital role in imparting qualitative & effective theoretical & practical training to develop their professional aptitude. The main thrust of book course contents of MSE/MJR (Workshop) – III session is application oriented with the appropriate theoretical inputs and trainee can develop self - reliance in training and taking problems in their work related field.*

*I am pleased that STC Ajmer is constantly publishing course books as per module prescribed by Railway Board.*
