Creating rake whose BPC is being generated for first time.
Click on Create rake.

The screenshot shows a web browser window with the URL <https://roams.cris.org.in/FMM/createrake?>. The page title is "Rolling Asset Management System" and the user is logged in as "Welcome SSE KRCA Yard".

The main content area is titled "Rake Headers Details" and contains a toggle switch for "BPC number not available/known" which is currently turned off. Below this, there is a form with the following fields:

Rake Id	Creation Date	12-10-2019
Train Name		
Reported By	Last unloading point	

Below the form is a "Create Rake" button. On the left side, there is a "Menu" sidebar with the following items:

- Rake List
- Rake Formation
- Offering Memo
- Wagon Parameters
- Material Module
- Wagon Nomination
- Wagon Exchange
- Unfit Memo
- BPC
- Rake Dispatch
- Job
- Usage Graphs
- Pivot Reports
- Rake Reports
- Wagon Reports
- Wagon Master Reports
- Masters

The "Create Rake" option is highlighted in the "Rake Formation" sub-menu. A black arrow points to the "Create Rake" option in the sub-menu.

At the bottom right of the page, there is a small text: "FMM Android Application is now available".
